CDD Cox's Bazar Operation

# Monthly Bulletin February, 2021

## Background

CDD in Partnership with CBM started its health and rehabilitation services for both FDMN camp and Host communities in Cox's Bazar, Bangladesh. The projects have two-pronged approach by prioritizing rehabilitation service provision and disability mainstreaming.

The focus here is on psychosocial services and the provision of rehabilitation services that includes physiotherapy, occupational therapy, speech & language therapy, eye screening, hearing screening and provision of assistive devices as well as the strengthening referral services.

The mainstreaming activities are to promote the inclusion of people with disabilities along with strengthening the Age and Disability Working Group and the rights of persons with disabilities through formation and capacity building of Self-help groups (SHGs) and Disability Committees.
